# Our Mission

## FOR YOU AND YOUR PATIENTS

We strive to be the most trusted leader in caring for people and their advancing health. Active Life is committed to providing high caliber, cost effective rehabilitation services and to help our contracting health centers to meet their clinical and financial goals.

We develop effective therapeutic programs geared to the needs of each individual and are dedicated to treating our patients with dignity and respect. Our aim is to help each of our patients achieve renewed independence and enjoyment of life.

We add life  
to years &  
years to life.

“Overall excellent care given by a well-trained and very caring staff. I have made several new friends here at Active Life.”

WALTER BROWN, PATIENT

Our centers provide quality medical and rehabilitative care through registered and licensed Physical, Occupational and Speech Therapists. We work with patients and their families to design an individualized plan of care that best addresses patient needs or those of their loved one.
