

COME JOIN OUR REHAB TEAM.

Be passionate about patient care while having fun doing your life's work.

“I am extremely happy with Active Life. They give recognition when it is deserved. They are appreciative. That means a lot!!!”

Welcome in Success

At Active Life, we understand that our therapists must fully invest their hearts and minds in the important task of providing compassionate care for others. We also understand the importance of helping our therapists nurture their own goals and dreams. Active Life provides a supportive work environment for our employees where they receive training, tools, and encouragement to cultivate their career goals and their own personal goals as well.

TRADITIONAL BENEFITS

Active Life offers employees an array of convenient and affordable benefits to meet their needs, including a premium management package.

THE FAMILY-FRIENDLY BENEFIT

Active Life is committed to providing a family-friendly workplace to support both clinical and business staff in achieving their personal and professional goals. Active Life strives to help employees balance work and family responsibilities by providing the intangibles- consistent and flex scheduling.

CULTURAL BENEFITS

California is a place rich in culture, social activity and entertainment-value. Throughout the year, employees and their family members alike can take advantage of the many cultural events and unique offerings available through Active Life.
